FIS team

Left to right Alice, Cindy, Leonie and Jannine

Thanksgiving Prayers

We thank God for:

- The continued work in the newer schools and for all schools who have opened their doors to us.
- The grants we have secured.
- All the staff, pupils, parents and governors in the schools we partner with.
- Our wonderful volunteers who have worked so hard with us.
- Alice's new, temporary family home.
- The funding received from London Over the Border (Anglican fund) to start one day of new schools work in Manor Park.
- His Holy Spirit, for His presence at our office at Latimer Hall. Thank God it has been a flexible base to meet, train and prepare lessons and events. Thank God too for Latimer Christian Fellowship & Transform Newham who support us and let us share their space!
- For time and relationships developed with RE Coordinators this year.

If you would like to help us share more about the Christian faith by enabling Faith in Schools to visit schools why not support us financially this year. To give £10 a month simply text **FAITH** to **70660** or contact us to set up a Standing Order.

 **Faith** in Schools

Autumn Term Prayer Diary
September 2017

Supporting the teaching of Christianity
in Newham's schools

Prayer Requests from the Schools Team

Alice's prayer points

Please pray for:

- The Lord to be with the Primary and Secondary pupils in our Newham schools, keeping them safe and sound and help them to discover more about Him.
- Our Heavenly Father to be with all the staff and teachers at schools in Newham. As they come back after their well-deserved rest may they be refreshed and renewed and even more excited to have Faith in Schools come and visit!
- The Holy Spirit to encourage and strengthen us through this time of uncertainty as we wait to hear about funding and projects.

Leonie's prayer points

Please pray for:

- Favour from the grant providers who have not yet replied to us.
- Blessings as we seek to develop new areas of work this school year.
- God's creativity on our schools team and volunteers, so the children and school staff will understand, learn, be engaged and know the truth of God's Word.

Prayer Requests from the Schools Team

Cindy's prayer points

Please pray for:

- Increased support from churches both financially and through volunteering.
- God to inspire the people approving our grant applications.
- Our faithful volunteers who have been there with us throughout the last term. May they know how much their work has played a part in the continued success of the charity.
- God to open doors in the Stratford and Manor Park and at local Secondary Schools.
- God to continue to guide and inspire me in this role and give me the confidence that I need.
- Protection for the FIS team, our volunteers and their extended families.

If you would like Faith in Schools to come and do a talk at your Church please get in touch.

THANK YOU FOR ALL YOUR PRAYERS

For details of lessons taking place in schools daily please visit our website www.faithinschools.co.uk and look at the prayer page.

Prayer Requests from the Schools Team

Jannine's prayer points

Please pray for:

- Southern Road and Cleves Primary School - I have not taught them as much last term; pray that the relationships will continue this term.
- All the new Y7's in secondary schools who had our 'it's your move' lesson that as they start at a new school they will remember to call out to God for when they need help.
- Open doors at Royal Doc's and Kingsford secondary schools; that they will get back to me about having lessons this term.
- Me to become well-rounded in my work, to grow as a charity worker and teacher and that I will grow and succeed in the things I find difficult.

Claire's prayer points

Please pray for:

- The charity to get the necessary finances in place in order to be able to grow our work into more Newham schools- so for God's favour and connections.
- For the team to know God's encouragement getting into new schools, or back into schools that seemed to have closed to us recently.
