Thanksgiving Prayers

We thank God for:

- The growing number of schools that we worked in partnership with.
- The opportunity to potentially share, train and mentor other schools workers across the nation, through the 'Sharing Faith in Schools' project.
- The Church's financial support and the generous contributions and commitment of the volunteers who have worked with us.
- Opening doors to more Secondary schools we have been trying to get into.
- Bringing together the new team, their gifts, experience and potential.
- A time of rest, reflection and relationship building during the summer break.

Prayer Requests from the Schools Team

Alice's prayer points

Please pray for:

- A smooth and positive start to the term with schools and church partners. That students, teachers and families settle in – particularly that Year 7 and Early Years acclimatise and feel secure in their new places of study in Manor Park.
- Blessing over the advertising for the right connections to be made with potential trainees for 'Sharing FIS' through the Scripture Union events on 24th-26th Sept, 1st-2nd Oct and 9th-11th Oct; and for God's guidance and inspiration with the design of the sessions we are leading to be inspiring and empowering.
- The provision of more volunteers with a heart for their local schools and children.

Donna's prayer points

Please pray for:

- Blessing over forming relationships with the schools and churches in Stratford and Forest Gate.
- Guidance for what our work in Beckton will look like, and for the provision of funding to meet demand for the service.

Prayer Requests from the Schools Team

Rich's prayer points

Please pray for:

- The new Faith in Schools team, that we may work together in unity, with courage and always with love.
- Wisdom and vision in how to responsibly steward and sustain our service to meet the growing demand from schools.
- Positive relationships to be developed with the new schools in Canning Town and Custom House that I will be working with, and for greater spiritual authority in these areas. That God may cover the teachers, children, leadership and families with His blessing, protection and peace.
- God's provision of funding for the £42k needed to fulfil our commitment to the national project 'Sharing Faith in Schools' by April 2019.

Rachel's prayer points

Please pray for:

- The start of the new term and all the new connections that it will bring.
- The strength of understanding for what God is calling us to do.
- Clarity of thought as I finish the accounts from 2017-2018 and send to our accountant.

Prayer Requests from the Schools Team

Jannine's prayer points

Please pray for:

- Me to grow in my role at Faith in Schools, in terms of fundraising, project management skills and working with new people. For the confidence to step out of my comfort zones and take the initiative.
- The staff and students at the schools in Plaistow and East Ham to return fresh and rejuvenated for the coming term.
- God to make a way through our new contacts at Lister School to take up our offers of schools work this year.

Trustee prayer points

- Please pray for breakthrough in the finances we need for 2018-19. We are waiting on hearing from a number of potential funders, and would like to hear positive news.

If you would like to help us share more about the Christian faith by enabling Faith in Schools to visit schools why not support us financially this year. To give £10 a month simply text **FAITH** to **70660** or contact us to set up a Standing Order.

THANK YOU FOR ALL YOUR PRAYERS
